ALL SERVICES ARE FREE AT CHHAYA

Difference

- What makes our hospital unique is the passion with which we work
- This is a hospital that provides care to animals at the level reserved for human beings
- We ensure hygiene and freshly cooked nutritious food
- We have 27 trained staff (including 8 para-vets)
- Network of volunteers across the city of Kolkata, who provide immediate first-aid

As we have grown.....

2-3
2008

Number of dogs treated by us in a day

100+

The number of kms our vehicle travels per day across greater Kolkata to pick up injured animals & drop back healthy dogs

20,000+

Number of animals treated since 2008

7000+

ABC operations 100/month, since 2012

98

Success rate (%) in Animal Birth Control operations

Driving Force

Sharda Radhakrishnan & Vishakha Doshi
The energy and impetus behind Chhaya, set up in 2008
