# VISION

**Chhaya Animal Hospital** envisions a world where every animal is treated with dignity, compassion and care.

We see a **future** where:

- Animals in distress receive timely, appropriate and compassionate medical care.
- Street dog populations are humanely managed through ethical and effective birth control programmes.
- Communities understand, embrace and fulfil their responsibility towards animal welfare.
- No animal is subjected to neglect, cruelty, abuse or exploitation.
- Humans and animals coexist peacefully and harmoniously in shared spaces.

# MISSION

- **Rescue, treat** and rehabilitate injured, sick, abandoned and vulnerable animals, providing them with medical care and a safe environment for recovery.
- Implement effective **Animal Birth Control (ABC)** programmes to humanely and scientifically manage street dog populations & thus promoting healthier street dog populations.
- Maintain a **vegetarian diet policy** for all animals in our care, upholding our core principle that **no animal should suffer for the benefit or nourishment of another**.
- Vaccinate all treated dogs against **Rabies** before discharge, helping protect both animals and communities & so reducing the risk of zoonotic disease transmission.
- **Educate & engage** communities on compassionate animal care, while developing a sustainable and replicable model for animal welfare.

# EXECUTIVE SUMMARY

**Chhaya Animal Hospital**, operating under the registered Trust **People for the Respect & Care of Animals (PRCA)**, completed another year dedicated to caring for street animals in distress, offering hope and healing to those who were injured, abandoned or suffering. In **FY 2025 -26**, our work continued to grow in both scale and impact. A total of **6,492** dogs were admitted for treatment, **1,864** Animal Birth Control (ABC) surgeries were performed and **3,837** animals were treated in our OPD, including cows, goats, horses & cats.

**Chhaya** expanded its infrastructure with **12** kathas of land for its third Gaushala, an additional **10** kathas to accommodate more large animals, a new air-conditioned ambulance, upgraded OT and diagnostic equipment, improved aviary, fire-safety systems and enhanced shelter facilities.

Our connection with the wider community grew stronger through meaningful collaborations with **Jain institutions** rooted in the principle of Jeevdaya & **SVP** enabled funding from **CSR & Trusts**. New Corporate partners, schools and compassionate individuals also reached out to support. These partnerships enabled us to broaden awareness, strengthen support systems and bring more people into the shared responsibility of protecting animals.

As we step into **FY 2026 -27**, **Chhaya** remains guided by its founding vision: **to create a space where every animal life is valued, respected and cared for**. This report reflects the milestones we achieved, the support we recieved, the challenges we encountered and our aspirations that continue to shape our journey.

**Shri Raju Bharat,  
Chairman Trustee**

"As we look back on the year gone by, I am filled with deep gratitude for the unwavering dedication, compassion and commitment of everyone who stands alongside **People for the Respect and Care of Animals (PRCA)**. Our mission to protect, care for and uplift the lives of street animals continues to guide and inspire us and I take immense pride in all that we have been able to accomplish together.

At the heart of this journey is **Chhaya Animal Hospital**, our dedicated centre of care for animals in distress—a place where countless lives have found hope, healing and a second chance. Under the able guidance of Sharda, our team has worked tirelessly to provide critical medical treatment, comfort and compassionate care to animals who have nowhere else to turn. Their perseverance, empathy and commitment reflect the very values upon which our organisation was founded.

Over the past year, we have strengthened our outreach, enhanced our facilities and deepened awareness of animal welfare within the community. Behind every number and milestone lies a life touched and a suffering eased. Every animal rescued, treated and given another chance reminds us that compassion is not merely an ideal—it is a responsibility and that kindness and respect for all living beings are fundamental to building a truly humane society.

I extend my heartfelt appreciation to our donors, volunteers, partners and supporters whose trust, generosity and continued encouragement makes this work possible. Your support gives us the strength to reach further, respond to greater needs and continue standing up for animals who cannot speak for themselves.

As we step into another year, let us carry forward the same spirit of hope, healing and compassion. Together, we can continue building a world where every animal is treated with dignity, kindness and care."

**Ms Sharda  
Radhakrishnan,  
Founder Trustee**

Dear Friends, Supporters, and Well-wishers,

Looking back on **Chhaya's** journey through **FY 2025–26**, I am filled with gratitude for the trust and support that has enabled us to care for and transform thousands of lives. This year brought meaningful growth—we treated over **6,000** dogs, performed more than **1,800** life-saving Animal Birth Control (ABC) surgeries.

**Chhaya** upgraded its infrastructure by acquiring more land, a new air-conditioned ambulance, modernised OT and diagnostic equipment, , fire-safety systems.

But beyond the numbers are the lives that give our work meaning—the mother dog who survived a brutal attack and was reunited with her puppies and countless animals who found healing, safety and compassion at **Chhaya**.

**Chhaya** is a bridge between compassion and action, bringing together families, schools, organisations and individuals committed to animal welfare. As an organisation supported entirely by donations, with no government funding, we depend on people who believe that compassion must be turned into action.

As we work towards building a Corpus Fund for long-term sustainability and making **Chhaya** a greener, more environmentally responsible project, we remain committed to ensuring that our care for animals continues for generations to come.

My heartfelt thanks to every donor, volunteer, partner and well-wisher who makes this work possible. Together, let us continue building a world where every life is valued, respected and cared for.

# BOARD OF TRUSTEES PRCA

**Mr Raju Bharat**  
**CMD, Kenilworth Group of Hotels**

“In the great family of creation, birds and animals are our younger brothers and sisters, deserving of our care, compassion and understanding. It is our responsibility to protect and nurture them with kindness and respect. Under the leadership and guidance of Sharda Radhakrishnan, together with her dedicated team at **Chhaya**, the cherished ideal of “Reverence for All Life” continues to be brought to life through meaningful action and unwavering commitment for street animals.”

**Ms Sharda Radhakrishnan,**  
**Founder, Chhaya Animal Hospital**

“**Chhaya** was founded on a simple yet powerful belief: every injured, abandoned and suffering animal deserves a safe place to heal, recover and be cared for. For **18** years, we have remained steadfast in this commitment, turning moments of pain into stories of hope and giving countless animals a chance at a life of dignity and compassion.

For us, **Chhaya** is more than a place of healing—it is a promise that compassion has no boundaries and every life matters.”

# BOARD OF TRUSTEES PRCA

**Dr. VR RAMANAN**  
**MD, Peerless Group of**  
**Hospitals**

“After five decades of my life, devoted to human healthcare, **Chhaya** feels like home to me—a place where the spirit of care extends to every life in need. Here, I have seen even the most injured and neglected animals respond to kindness with the purest form of affection.”

**Mr Kamal Prakash**  
**Director, Jiwanram Sheoduttrai**  
**Group**

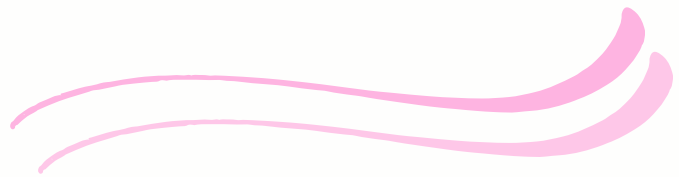

“Our planet is home to all living beings, and true harmony lies in learning to coexist with one another. **Chhaya** works to ensure that street animals receive the care and protection they deserve, enabling them to live healthy, dignified and fulfilling lives alongside all other beings.”

# BOARD OF TRUSTEES PRCA

**Mr. GAURANG JALAN**  
Film Maker, Entrepreneur

“**Chhaya Animal Hospital** gives me the privilege of serving those who cannot speak for themselves. The tireless dedication of Smt. Sharda Radhakrishnan and her compassionate team ensures that every animal receives quality care, treatment and comfort—with unwavering love and commitment”.

**Mr. S RADHAKRISHNAN,**  
Secretary Trustee, PRCA Trust

“I strongly believe in **PRCA’s** mission to ensure that injured and sick animals found on the streets are rescued, cared for and given a safe place to recover. I deeply value the collaborative spirit of our Trust, where passionate individuals come together, sharing their knowledge, expertise and resources to strengthen the cause of street animal welfare.”

# BOARD OF TRUSTEES PRCA

“

“As taught by **Rashtrasant Namramuni Maharaj Saheb**, the true purpose of human life is fulfilled when we extend care, compassion and relief to animals who cannot care for themselves. Animals, too, experience the world through their senses and feel pain, hunger, fear and emotions just as we do. Recognising their capacity to feel and suffer, it is our responsibility to treat them with kindness, dignity and respect.  
**Jio Aur Jine Do — Live and Let Live.**”

**Mr. Tejash Shah**

**Director, Ventilation Engineering  
Co.Pvt. Ltd**

“

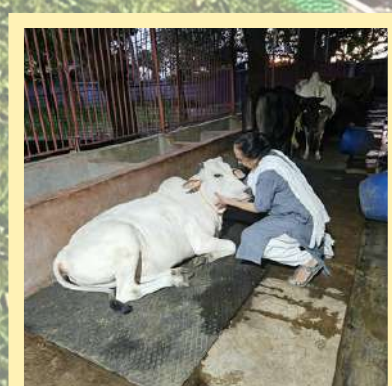

“**Titagrah** and **Chhaya** come together with a shared belief that care, compassion and inclusiveness can make a meaningful difference in the lives of those who need it most. We are proud to join hands with Chhaya in its endeavour to create a more caring and compassionate world for animals.”

**Mrs. Rashmi Chowdhury**

**Director, Titagrah Rail Systems Ltd**

## *Rest in Peace & Power.....*

The **Chhaya family** remembers with profound gratitude & respect **Mr. Pradeep Murarka**, our cherished donor and steadfast supporter. His generosity, kindness and continued support was an important part of **Chhaya's** journey and contributed meaningfully to our work with street animals.

We fondly remember **Mr. Dilip Doshi**, whose vision and compassion gave birth to **People for the Respect and Care of Animals (PRCA)**, the registered Trust under which **Chhaya Animal Hospital & Shelter** operates. **PRCA** was his brainchild and a reflection of his deep commitment to creating a more compassionate world for animals. His vision laid the foundation for the work that continues at **Chhaya** today and his contribution to the institution will always be remembered with profound gratitude and respect.

Their lives touched the journey of **Chhaya** in different but meaningful ways. We remember them with deep respect and heartfelt gratitude and we extend our sincere condolences to their families and loved ones.

May their memories continue to inspire compassion, kindness and service.

# ESSENTIAL SUPPORT FOR RESCUED ANIMALS

## Biscuits for dogs by Anmol Industries Limited

- We extend our heartfelt gratitude to **Mr. Ashish Chowdhury, Director, Anmol Industries Limited**, for his generous support over the past two years, providing **450 kg** of biscuits every month for **Chhaya's** dog patients. Street dogs are accustomed to biscuits and adding them to our vegetarian khichdi makes their meals more enjoyable. This thoughtful contribution helps us keep the dogs well-fed and cared for.

## Singhvi Charitable Trust – Supporting Healing

- We sincerely thank **Mr. Virendra Singhvi & Singhvi Charitable Trust** for their generous contribution towards purchase of essential medicines for **Chhaya's** rescued animals. His compassion and continued support are a true source of strength for our work.

## Dishakritiya Foundation – Supporting Rescue Operations

- We express our gratitude to **Dishakritiya Foundation (Disha Eye Hospital)** for their generous support towards vehicle maintenance and fuel expenses, helping us run all our **6** vehicles smoothly.

## Chhaya Receives Carcass Removal Van from KMC

- **Chhaya Animal Hospital** received a Carcass Removal Van generously donated by the **Kolkata Municipal Corporation (KMC)** under the **MPLAD** scheme.

The addition of this vehicle will significantly strengthen **Chhaya's** ability to respond efficiently to carcass removal requests from nearby village areas, improve public hygiene and better serve both street animals and the community.

## Hydraulic Rescue Vehicle for Large Animal Rescue

We sincerely thank **Mr. Virendra Singhvi & Singhvi Charitable Trust** for their generous donation of a hydraulic rescue vehicle and unwavering support to **Chhaya Animal Hospital**, strengthening our capacity to respond to large animal emergencies. With **26** large animals rescued in the hydraulic vehicle in **FY 2025–26**, we were able to provide a safer and more humane rescue and transportation, helping minimise physical stress, trauma and the risk of further injury during rescue.

# Bovine Rescue Highlights

At **Chhaya Animal Hospital** bovine rescue is an integral part of our work. We regularly rescue abandoned **male calves**, often just **2–3** days old, who are left on the streets as they are considered to have no **ROI** for the dairy units. Vulnerable to hunger, accidents, injuries and cruelty, these calves are brought to **Chhaya**, where they are bottle-fed, provided veterinary care and closely monitored. Once they are old enough to eat independently, they are transitioned to nutritious food suited to their needs and continue to receive care and protection at the shelter.

Some adult bulls we rescue have suffered severe injuries, including burns caused by hot water or corrosive substances. We bring these animals to safety, provide them with timely medical treatment and support their recovery in a secure and caring environment.

For the young male calves we rescue, our **Baal Gaushala** provides a safe and permanent home where they receive nutritious food, veterinary care, protection and the freedom to grow in a secure environment. For animals who cannot return to the streets, **Chhaya** strives to provide not merely a place of shelter, but a loving forever home where they can live with dignity and care throughout their lives.

During **FY 2025–26**, **Chhaya** sheltered **102** bovines, providing them with rescue, treatment, rehabilitation and lifelong care according to their individual needs. Their stories remind us that animals can become especially vulnerable when they are no longer considered productive or economically valuable. **At Chhaya, we believe that their worth does not depend on their productivity and that compassion, protection and lifelong care must remain at the heart of our response.**

# Horse Rescue Highlights

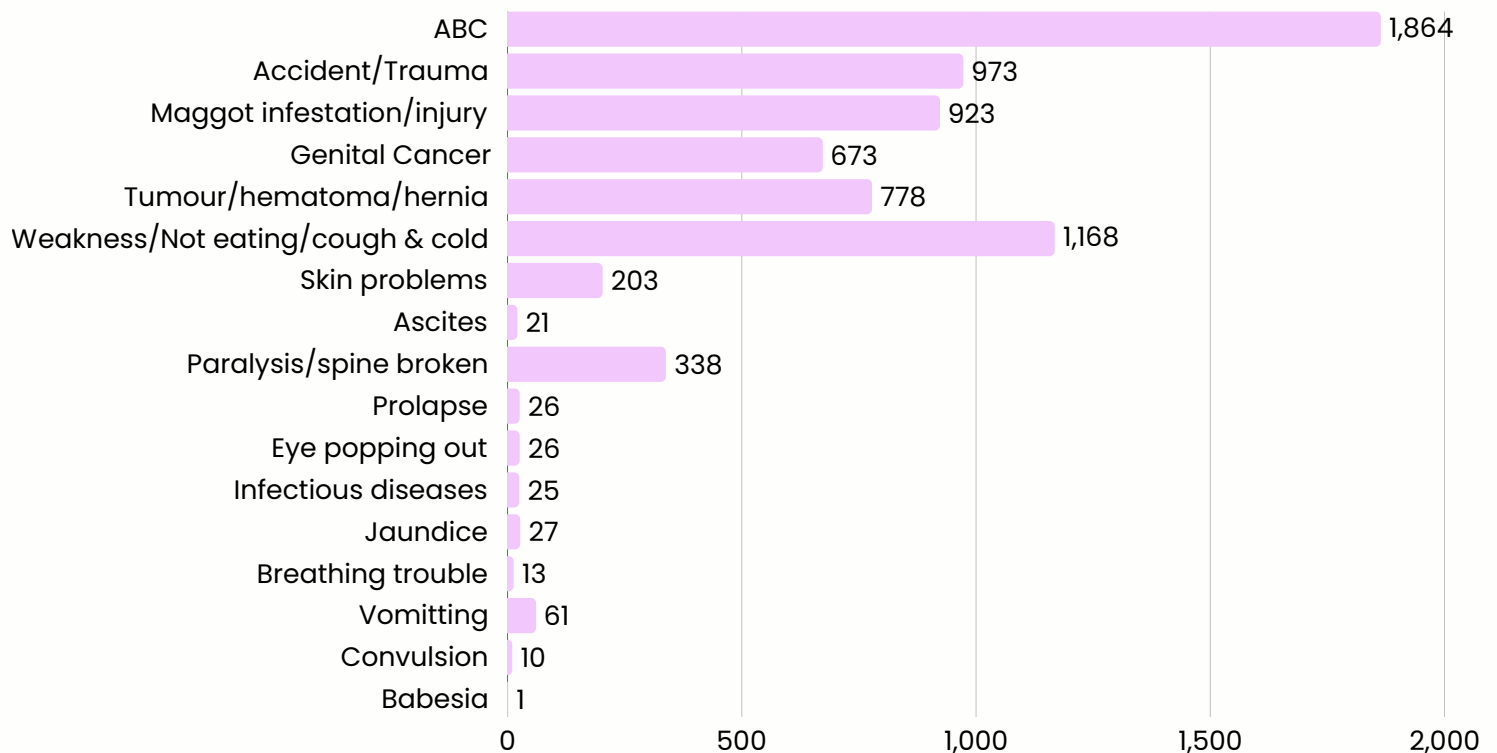

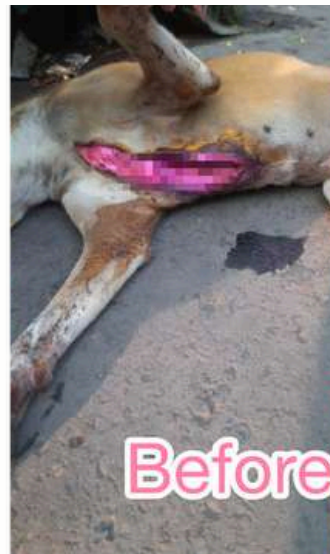

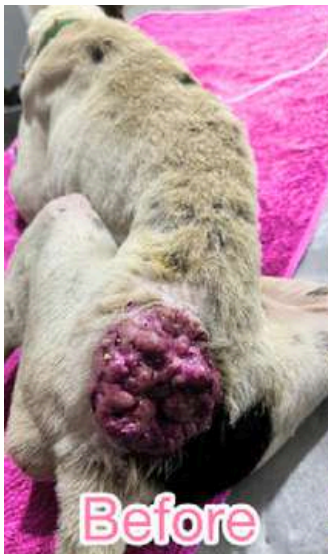

**Chhaya Animal Hospital** rescues horses who have been abandoned after being used for recreational and riding activities, particularly around the Victoria Memorial and Maidan areas of Kolkata.

Many are found in distress, having endured long hours of work without adequate food, clean water, medical care or sufficient rest. Over time, neglect and continuous exploitation can leave them injured, exhausted and vulnerable. **Chhaya** has rescued **12** such equines in **FY 2025 - 26**

We bring these horses to safety, provide veterinary treatment, nourishment and supportive care & offer them a secure place to rest and recover. At **Chhaya**, rescued horses are given access to spacious, open enclosures where they can freely roam, interact with each other & graze, allowing them to experience a more natural and peaceful environment.

Through our equine rescue programme, we strive to ensure that these animals receive the care, protection and dignity they deserve after years of service, with a safe and loving home where they can spend the rest of their lives.
